

## *Vision for Students:*

*An exciting and inspirational journey that lasts a lifetime!*

- Leaders in developing resilient, healthy, prepared students who influence, create, and bring about positive change in the world!
- Prepare students for jobs in a global marketplace where communication, collaboration, critical thinking, and creative problem solving are the "new basic".
- An environment in which each student has a positive, nurturing relationship with a caring adult, where students feel invited, respected, supported, & included.
- A state-of-the-art student and teacher support system that guarantees each and every student and teacher will have the necessary support and resources needed to ensure a healthy, growing, friendly learning environment.
- Learners who master the most relevant, useful, in-demand, and universally applicable skills necessary for them to compete in a complex, competitive, knowledge-based, information-age, technology-driven economy and society.
