# Advanced Placement Distance Learning & Exams 2020 - Updated April 4, 2020

SDUSD is committed to providing the most current information and resources to continue student learning while schools are closed. The Advanced Placement program has increased free online resources and converted to home exams to ensure all students have the opportunity to complete what they have prepared for all school year.
For the latest AP updates and many more details, visit https://apstudents.collegeboard.org/coronavirus-updates

**FREE RESOURCES:**

- Current AP students already have access to MyAP Classroom, myap.collegeboard.org as part of the enrollment and exam ordering changes for this school year.
- Students can attend live and on-demand AP review courses, delivered by AP teachers across the country via Advanced Placement's YouTube Channel: https://www.youtube.com/user/advancedplacement Lessons will complete the year's curriculum (content not on the exam), then begin reviewing exam content.

**HOME EXAMS:**

- Secure 45-minute free-response exams for each course and students may use their books and notes.
- Standard testing window = May 11-22 (see full details on exam schedule: https://apcoronavirusupdates.collegeboard.org/educators/taking-the-exams/ap-exam-schedule)
- Late testing window = June 1-5 (schools must approve the late testing option for students)
- Students will take exams on any device available....computer, tablet, or smartphone; as well, students will have the option to write responses by hand and submit a photo.
- SDUSD will be distributing computers starting April 6. AP is also committed to helping students get the technology needed to complete their exams -if needed, complete form: https://collegeboard.tfaforms.net/74
- Students with extended time will already have that accommodation included in their testing session. Other accommodation supports will be detailed in the testing guide being provided by AP in late April.
- Opportunities to practice with the new online testing platform coming in late April from AP.

**NEXT STEPS:**

- Students who still plan to take their AP exam:
  - Exam date? All AP students are encouraged to complete their exam in May and no additional steps will be required. Anyone needing a June test date will need to get permission from their AP Coordinator.
  - Tech needs? = any student who needs a device or internet can get from SDUSD or AP.
  - Resources? = use MyAP Classroom, YouTube lessons, and your teachers' support now until exam time. Details regarding how to use the exam online platform will be shared with all by the end of April.
- Students who wish to cancel their AP exam registration:
  - Full exam refunds are being offered to students who cancel by April 30.
  - The only exception to full refunds are students with credit card fees or who registered late with $40 fee.
  - Contact your AP Coordinator and/or District AP Coordinator to cancel your exam(s) and request a refund. List of School AP Coordinators
